

Mrs. De Marre's Math Class

Name _____ Period _____

INTRODUCTORY LETTER

I'd like to get to know you! Write me a letter to introduce yourself. The information should be presented in letter form and be written in complete sentences. This letter will be confidential.

First Paragraph --- General Information:

Name, birthplace and date, parent or guardian's names and occupations, other family members.

Second Paragraph --- Your background:

Places lived, schools attended, places you've visited, and memorable events.

Third Paragraph --- Class Expectations:

What subjects in school do you enjoy most? Why? Include your goals for this class. What would you like to learn?

Fourth Paragraph --- Hobbies and Interests:

School and free time activities. Jobs?

Fifth Paragraph --- Explain something unique about yourself:

What makes you an individual and distinguishes you from others?

Sixth Paragraph --- What should I know about you?:

After school jobs? Learning styles? School strengths and weaknesses? Include anything that may prevent you from being successful in this class, or anything that you believe I need to know about you.
